SESSION DATES:
JANUARY 13 – FEBRUARY 21
Our mission is to enable all young people, especially those who need us most, to be great today and reach their full potential as productive, caring, responsible citizens tomorrow.

ENRICHMENTS AT THE BGCSV

Each season during the school year, the Club offers a series of special classes or extra activities offered on a weekly basis for 6-8 week sessions. These classes, or enrichment programs, are designed to be educational, hands on, and most importantly, fun for our members.

There are different enrichments for each afterschool age group, including classes for elementary and middle schoolers, high schoolers, and a separate activities list designed for non-afterschool members that are offered later in the afternoon or in the evenings.

HOW TO PARTICIPATE

For registered members already on the portal, signing up for an enrichment is easy: log into the parent portal and select the enrichment you want to sign up for. The system will then take you through the payment process and, once completed, your child will be added to the activity list. You can access the information at www.parentportal.svbgc.org.

For nonmembers hoping to sign up, contact us at chunter@svbgc.org and we will help you set up a parent portal account.
