

Positive Action Student Survey (Grades 3-5).

We are going to complete a survey today. It is like a test, but it is NOT a test. We are interested in how you feel and what you think, not what you know.

We want you to do this survey because we think that you can help us make better school programs.

We are trying to learn more about how you and your classmates feel about yourselves and school. We also are interested in what you think about things like fighting or helping someone.

The survey will take up to half an hour. Your answers will always be confidential.

Some of the questions may make you a little uncomfortable. We hope they don't, but you can skip any question you don't want to answer.

Your answers **are confidential**.
